Select a time frame for your engagement session.

ENGAGEMENT

1 hour engagement session at your choice of location

This session is not just about the photos, but it is an opportunity for Hayley to get to know the couple and vice versa.

WEDDING

The month before the wedding day, you will meet with me to discuss details

I will create a photographer's schedule to share with the couple and (optional) second photographer.

The schedule will help the wedding day run smoothly. I always say it's your day, not mine! Nothing has to be set in stone. I want to make your special day as stress free as possible.
